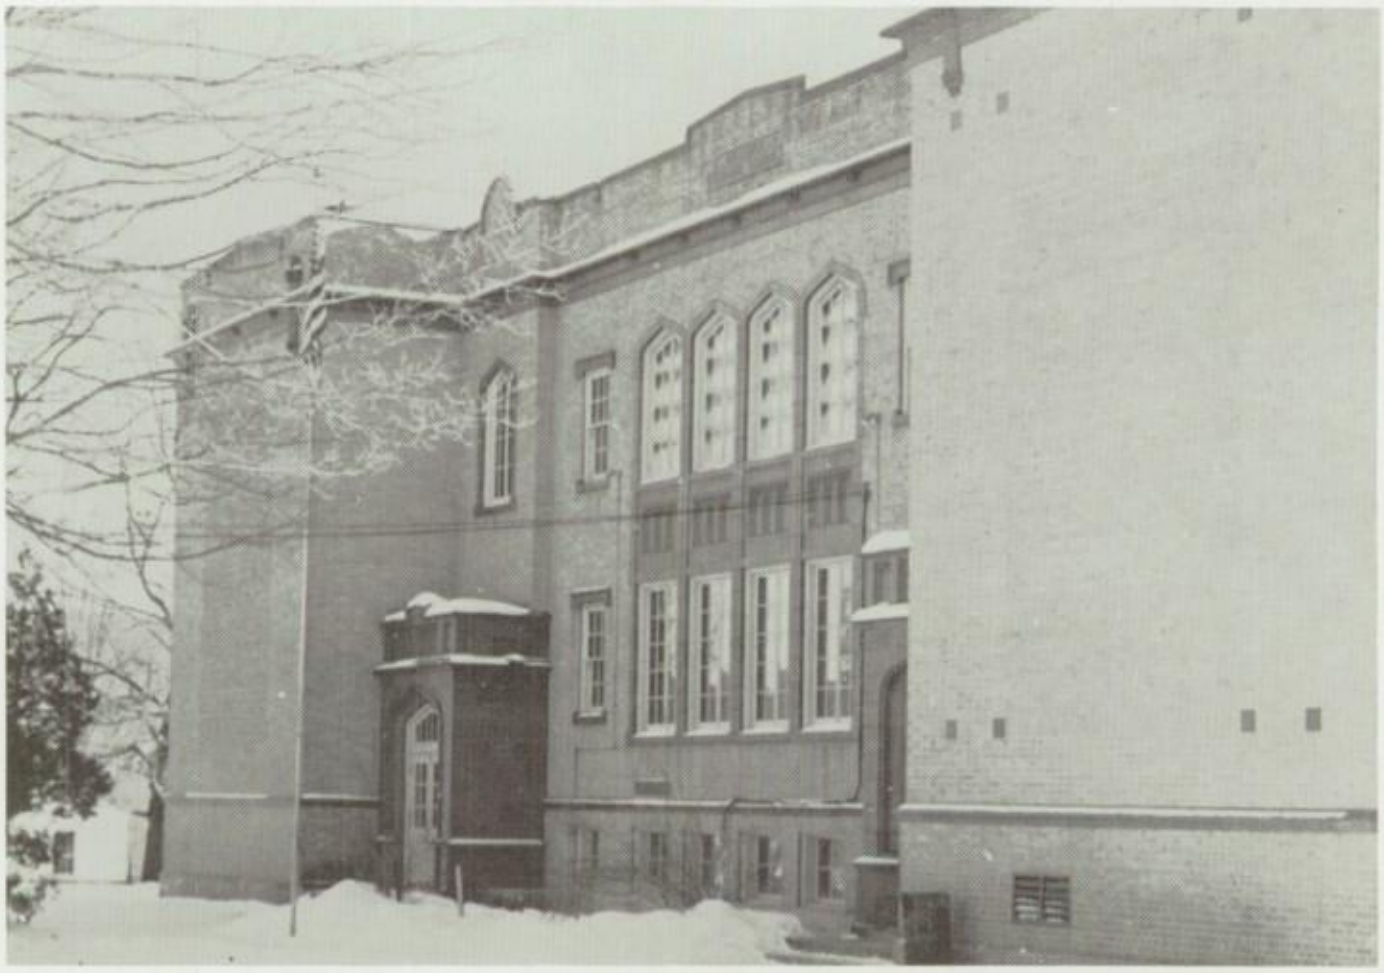
MILESTONE

Milestone



Alma Mater, Milford High School,
We are singing now of thee;
May thy fair name dwell forever
In our fondest memory.
And when high school days are over
And we've gone beyond your sight,
We will love thee yet--
We'll never forget
The Purple and the White.

Hail, Alma Mater,
To thee our heads bow down!
We will sing thy praise
Through endless days
To the Purple and the White.

In September 1957, we entered high school with thirty freshmen. Our officers were Kathy, Tom, Loretta and Joan M. Doug was on Student Council. The class participated in many activities such as band, chorus, bowling, J.V. cheering, J.V. basketball, baseball, F.H.A. and F.F.A. A big event of the year was being initiated by the juniors.

We started our sophomore year with twenty-six members. Our officers were Kathy, Gary, Joan Y. and Joan M. Loretta and Tom were on Student Council. This year we participated in band, chorus, bowling, J.V. and varsity basketball, J.V. and varsity cheering, football cheering, baseball, football, F.H.A., F.F.A., G.A.A. and yearbook staff. We had many record dances and our first orchestra dance.

As juniors, we had twenty-one members. Our officers were Joan Y., Gary, Loretta and Joan M. Kathy and Joan Y. were on Student Council. We participated in band, chorus, bowling, varsity basketball, J.V. and varsity cheering, football cheering, baseball, football, F.H.A., F.F.A., G.A.A. and yearbook staff. Some of the class participated in the senior play. This year we had fun initiating the freshmen.

This year, our last at M.H.S., we still have twenty-one members in the class. Our officers are Kathy, Gary, Loretta and Joan M. Loretta and Doug are on Student Council. For the last time we are participating in band, chorus, bowling, varsity basketball, varsity cheering, football cheering, baseball, football, F.F.A., G.A.A. and yearbook staff. Mr. Bates is our able advisor. This year we have been selling cards and magazines and we have put on our senior play. We are all looking forward to that day in April when we leave on our Senior Trip to Washington, D. C.

Class Prophecy

The reunion turned out swell last night! It was wonderful to see all the old crowd. They haven't changed a bit!! Virginia arrived promptly at eight. She has a marvelous job at the U.N. She said she plans to marry a handsome French diplomat! (As soon as he asks her.) Doug and his wife Betty came in next. He told me he had just closed a deal that would make him the new owner of "Tommy's." He will rename it "Dougie's." Pat and Pete and Elaine and Gene came together. They're having a race to see who can raise the largest family. (Pat's ahead with seven, but Elaine says she'll have triplets next and beat her by two.) Frank walked in with a beautiful blonde that would put M. M. to shame!!! He's still a bachelor and is known as "Fearless Frank" to all unattached females. Donna and Harold came in just after having a little disagreement. Harold insists that Donna give up her job at the "Gold Nugget," where she is known as "Legs." Joan T. gave up her high school sweetheart to star in the motion picture, "Flowerfield 8." She was a big hit and married her director. Carl and Elisher own an under-sea farm together. They said they're doing quite well except that it's hard to keep one's mind on farming with all the female deep-sea divers floating around. Tom and Bonnie drove up in the Stevens Hardware truck because their new El Dorado had not arrived yet. Sounds as if he has money to burn?? Bob drove up in the newest model car he designed. It's called a "Bobwagon." It's a station wagon convertible (!) I noticed only a few dents; must be he slowed down a little. Loretta and Dick are both professors at S.U.C.E. They said that college isn't what it used to be; everyone is required to take Russian. (So we can understand them better???) Joan and Fred are both teachers at the biggest high school in Otsego County--P'ville Central!!! Gary and his wife are doing well also. They live in Greenwich Village (!) where he has his own shop, paints, and sells his works. Christine, who has just finished law enforcement school (via summer school), came in with the detective she's been dating. Doug squirmed a little when he heard this! Francis couldn't make it, but we watched him on TV. He has a new program called "Sing Along With Francis." Late, as usual, came Robin. She introduced me to her new husband. (No. 4!!) He seemed nice. But how long will it last??? Jack and Anne arrived late, too, they couldn't find a babysitter. They are doing well also. Jack owns a chain of Men's Clothing Stores called "Hannah's Exclusives." Yes, it was quite a party! Even though the house is in shambles, and the twins are awake, we enjoyed every minute of it! Don says, "Let someone else have the next one!!" He has to help walk the kids to sleep!

See what you're getting into???
Signed,
Exhausted!!!

BRESEE'S DEPARTMENT STORE

Bresee's is like a little city in itself. One may shop there for almost anything without even leaving the store. Its many departments offer each customer a wide variety of merchandise.

KATHY GORENCE
Sr. President

Just about everyone I know, including my friends, relatives, and classmates, shops at Bresee's.

For the latest records, just take the escalator to the second floor where Bresee's record department carries the very latest popular, ballad, classical, and just about any other type of record you may prefer.

Some of Bresee's other departments are: Health Bar, Jewelry, Toys, Gourmet Shop, Shoes, Appliances, Furniture, Photography, Beauty Salon, and many more.

Each department makes Bresee's the ideal store that it is.
